### INDEPENDENT AUDITORS' REPORT

The Members of **Kasliwal Housewares Private Limited**

#### Report on the audit of the financial statements

#### Opinion

We have audited the accompanying financial statements of **Kasliwal Housewares Private Limited** ("the Company"), which comprise the balance sheet as at **March 31, 2025**, and the Statement of Profit and Loss and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31, 2025**, the **LOSS** and its cash flows for the year ended on that date.

#### Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence obtained us is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

#### Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

## **Information other than the financial statements and auditors' report thereon**

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Board's report and Business Responsibility Report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

## **Management's responsibility for the financial statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial Statements that give a true and fair view of the financial position, financial performance, Cash Flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors is also responsible for overseeing the company's financial reporting process.

## **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, the provisions of Section 143(3)(i) of the Companies Act, 2013 are not applicable to the Company.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Director's use of the going concern basis of accounting in preparation of the Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in the aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and evaluating the results of our work, and (ii) evaluating the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements for the audit period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication. Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company

### **Report on other legal and regulatory requirements**

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we state that the said order is not applicable to the company.

1. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph 2 (vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

(c) The balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this report are in agreement with the books of account;

(d) In our opinion, the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the **Companies (Accounting Standards) Rules, 2021**;

(e) On the basis of the written representations received from the directors as on **March 31, 2025** taken on record by the board of directors, none of the directors is disqualified as on **March 31, 2025** from being appointed as a director in terms of Section 164 (2) of the Act;

(f) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph II (a) (b) above on reporting under Section 143(3)(b) of the Act and paragraph 2 (vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014

(g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, the company is exempt from getting an audit opinion on internal financial control.

2. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us;

- a. The Company does not have any pending litigations which would impact its financial position;
- b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company
- d. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

- e. The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

f. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d) and (e) contain any material mis-statement.

g. The Company has not declared or paid any dividend during the year. Hence, the Company is not required to comply with the provision of the Section 123 of the Act.

h. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act: The Provisions of section 197(16) as amended read with schedule V to the Act are applicable only to the public companies. Accordingly, reporting under Section 197(16) of the Act for maximum permissible managerial remuneration, is not applicable to the company.

i. Based on our examination, which included test checks, the Company has used Microsoft excel and accounting softwares for maintaining its books of account for the financial year ended March 31, 2025, while microsoft excel does not have a feature of recording audit trail (edit log) facility other softwares used for recording other relevant transactions have a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with the audit trail has been preserved by the Company as per the statutory requirements for record retention.

**Kasliwal Housewares Private Limited**  
**Notes Annexed to and Forming Part of the Financial Statements**

**1) CORPORATE INFORMATION:**

Kasliwal Housewares Private Limited was incorporated as a Private Limited company vide registration no. U27504MH2023PTC400592 under the provisions of Companies Act, 2013 as pursuant to the certificate of incorporation dated April 11, 2023 issued by the Registrar of Companies, Central Registration Centre. The Company's registered office is at Gala No. 3, S. No. 66, H. No. 1, Bilalpada, Gokhiware, Vasai Road E, Thane, Vasai, Maharashtra, India, 401202.

**2) SIGNIFICANT ACCOUNTING POLICIES**

**A) Basis of preparation**

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on accrual basis.

These Financial Information are presented in Indian Rupees (INR) and all amounts have been rounded to the nearest lakhs, unless otherwise indicated.

**B) Use of estimates**

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expense during the year. Examples of such estimates include provisions for doubtful receivables, employee benefits, provision for income taxes, accounting for contract costs expected to be incurred, the useful lives of depreciable fixed assets and provisions for impairment. Future results could differ due to changes in these estimates and the difference between the actual result and the estimates are recognized in the period in which the results are known / materialize.

**C) Property Plant & Equipment**

Property Plant and Equipment's are stated at cost, less accumulated depreciation and any accumulated impairment loss. Cost includes the cost of acquisition of an asset and expenditure that is directly attributable to the acquisition of the asset like freight, installation cost, duties and taxes to the extent input credit is unavailable, and other incidental expenses, incurred up to the installation stage, related to such acquisition.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance expenses are charged to Statement of Profit and Loss during the reporting

period in which they are incurred.

Gains or losses arising from the retirement or disposal of a tangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

Intangible assets that are acquired by the Company are measured initially at cost. After initial recognition, an intangible asset is carried at its cost less any accumulated amortization and any accumulated impairment loss.

#### **D) Depreciation/ Amortization**

The Company has applied the estimated useful lives as specified in Schedule II of the Companies Act 2013 and calculated the depreciation as per the Written Down Value (WDV) method to allocate the cost of the asset, net of their residual values. Depreciation on new assets acquired during the year is provided at the rates applicable from the date of acquisition to the end of the financial year. In respect of the assets sold during the year, depreciation is provided from the beginning of the year till the date of its disposal.

The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is higher than its estimated recoverable amount.

Intangible assets are amortized on a straight-line basis over the estimated useful life as specified in Schedule II of the Companies Act 2013. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss. In respect of the assets sold during the year, amortization is provided from the beginning of the year till the date of its disposal.

The estimated useful lives of assets are as follows:

| <b>Category</b>               | <b>Useful Life</b> |
|-------------------------------|--------------------|
| Property, Plant and Equipment | 15 years           |
| Computer & Accessories        | 3-6 Years          |
| Furniture & Fittings          | 10 Years           |
| Vehicles                      | 8 Years            |
| Intangibles                   | 4 Years            |

#### **E) Impairment**

At each balance sheet date, the management reviews the carrying amounts of its assets included in each cash generating unit to determine whether there is any indication that those assets were impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment. Recoverable amount is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risks specific to the asset. Reversal of impairment loss, if any is recognized as income in the statement of profit and loss.

#### **F) Investments**

Investments that are readily realisable and are intended to be held for not more than one year

from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Long-term investments and current maturities of long-term investments are stated at cost, less provision for other than temporary diminution in value. Current investments, except for current maturities of long-term investments, if any are stated at the lower of cost and fair value.

### **G) Revenue recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured in accordance with AS-9, Revenue Recognition. Sales are recognized on accrual basis, and only after transfer of services to the customer.

Revenues are recognized on unconditional appropriation of goods from the warehouse / stockyard and delivery of goods when the control of goods is transferred to the customer as per the terms of sales with the customers. Revenues are reported net of trade discounts.

Revenues from contracts priced on a time and material basis are recognized when services are rendered and related costs are incurred.

**Interest Income:** Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's carrying amount on initial recognition.

**Dividend Income:** Dividend Income is recognised when the owners right to receive payment is established and it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

### **H) Taxation**

Tax expense comprises both current and deferred tax at the applicable enacted/ substantively enacted rates. Current tax represents the amount of income tax payable/ recoverable in respect of the taxable income/ loss for the reporting period. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961. The Provision for current income tax charge is calculated on the basis of the tax laws enacted (i.e. Income Tax Act, 1961) or substantively enacted at the end of the reporting period in the country where the Company generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax after the tax holiday period. Accordingly, MAT is recognized as an asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with

it will fructify.

Deferred tax expense or benefit is recognized on timing differences being the difference between taxable incomes and accounting income that originate in one period and is likely to reverse in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

In the event of unabsorbed depreciation and carry forward of losses, deferred tax assets are recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available to realize such assets.

In other situations, deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available to realize these assets.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance taxes paid and income tax provisions arising in the same tax jurisdiction for relevant tax paying units and where the Company is able to and intends to settle the asset and liability on a net basis. The Company offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws. Current and deferred tax is recognised in the Statement of Profit and Loss.

#### **I) Foreign currency transactions**

Transactions in foreign currencies are initially recognised in the financial information using exchange rates prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates prevailing at the reporting date. Non-monetary assets and liabilities denominated in foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

Exchange differences on monetary items are recognised in the statement of profit and loss in the period in which they arise, except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest cost on those foreign currency borrowings

#### **J) Inventories**

Inventories are valued at the lower of cost and net realizable value.

The cost of raw materials, components, consumable stores and spare parts and stock in trade are determined on a weighted average basis. Cost includes freight, taxes and duties and other charges incurred for bringing the goods to the present location and condition and is net of credit under the Goods and Service Tax ('GST') where applicable.

The valuation of manufactured finished goods and work-in-progress includes the combined cost of material, labour and manufacturing overheads incurred in bringing the goods to the present location and condition.

Due allowance is estimated and made by the management for slow moving / non-moving items of inventory, wherever necessary, based on the past experience and such allowances are adjusted

against the carrying inventory value

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. The net realisable value of work-in-progress is determined with reference to the selling prices of related finished goods. Raw materials, components and other supplies held for use in the production of finished products are not written down below cost except in cases when a decline in the price of materials indicates that the cost of the finished products shall exceed the net realisable value.

Sale of raw materials are considered as a recovery of cost of materials and adjusted against cost of materials consumed.

#### **K) Provisions, Contingent Liabilities and Contingent Assets**

A provision is recognized when the Company has a legal & constructive present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are measured at the present value of managements best estimate of the expenditure required to settle the present obligation at the end of the reporting period. Provisions are not recognized for future operating losses. Contingent liabilities are disclosed when the company has a possible or present obligation where it is not probable that outflow of resources will be required to settle it. The company exercises judgment in measuring and recognising provisions and the exposures to contingent liabilities which is related to pending litigation or other outstanding claims. Judgment is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual liability may be different from the originally estimated as provision or contingent liability.

Contingent liabilities, if any are not recognized in the financial statements. A contingent asset, if any is neither recognized nor disclosed in the financial statements.

#### **L) Cash and cash equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Apart from Cash and Bank Balances, the Company considers all highly liquid financial instruments, if any which are readily convertible into known amount of cash that are not subject to an insignificant risk of change in value to be cash equivalents.

#### **M) Employee/Retirement Benefits**

##### **Short term employee benefits**

It includes salaries, short term compensated absences (such as paid annual leave) where the absences are expected to occur within twelve months after the end of the period in which the employees render the related employee service, profit sharing and bonuses payable within twelve months after the end of the period in which the employees render the related services and non-

monetary benefits (such as medical care) for current employees are estimated and measured on an undiscounted basis.

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

### **Defined Contribution Plans**

Contributions to defined contribution schemes such as provident fund are charged off to the Profit and Loss Account during the year in which the employee renders the related service.

### **Defined Benefit Plans**

The present value of the obligation under such plan is determined based on an actuarial valuation using the Projected Unit Credit Method. Actuarial gains and losses arising on such valuation are recognised immediately in the Profit and Loss Account. Termination benefits are recognised as and when incurred.

### **Other Long-Term Benefits**

Leave encashment is payable to eligible employees who have earned leaves, during the employment and / or on separation as per the Company's policy.

Since none of the employee has completed the required number of years of service hence no provision for retirement benefits has been made.

### **N) Earnings per share**

The company reports basic and diluted earnings per equity share in accordance with AS- 20, Earnings per share.

#### **BASIC EPS**

The earnings considered in ascertaining the company's basic EPS comprises the net profit after tax and include the post tax effect of any extra ordinary items attributable to its

equity shareholders. The number of shares used in computing EPS is the weighted average number of shares outstanding during theyear.

#### **DILUTED EPS**

The net profit / (loss) after tax for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the year are adjusted for all the effects of diluted potential equity shares for calculating diluted EPS.

#### **P) Government grants and export benefits**

Government grants are not recognised until there is reasonable assurance that the Group will comply with the conditions attaching to them and that the grants will be received. Government grants are recognised in the statement of profit and loss on a systematic basis over the periods in which the Group recognises as expenses the related costs for which the grants are intended to compensate.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Group with no future-related costs are recognised in the statement of profit and loss in the period in which they became receivable.

Export benefits in the nature of duty drawback are recognised in the statement of profit and loss in the year of exports based on eligibility / expected eligibility duly considering the entitlements as per the policy, industry specific developments, interpretations arising out of judicial / regulatory proceedings where applicable, management assessment etc. and when there is no uncertainty in receiving the same.

Adjustments, if any, to the amounts recognised in accordance with the accounting policy, based on final determination by the authorities, are dealt with appropriately in the year of final determination and acceptance.

#### **Q) Leases**

Assets acquired under leases other than finance leases are classified as operating leases. The total

lease rentals (including scheduled rental increases) in respect of an asset taken on operating lease are charged to the Statement of Profit and Loss on a straight-line basis over the lease term unless another systematic basis is more representative of the time pattern of the benefit.

#### **R) Insurance claims**

Insurance claims are recognized for on the basis of claims admitted/expected to be admitted and to the extent there is no uncertainty in receiving the claims.

#### **S) Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets is substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.
